

> PROFILE PAGE

Every listing includes a free profile page to showcase additional information about your business. Submit information such as a business description, products and services offered, website and email address, etc.

Your business profile page also displays the package enhancements you selected which can include your display ad, photos, and video.

To submit information about your business, go to the localsolution.com homepage and click on the following link:

About Pinnacle Marketing Group
Connecting Local Consumers with Local Businesses

Pinnacle Marketing Group helps strengthen the marketing efforts of small and medium sized businesses by offering online advertising on localsolution.com, designing websites/mobile sites, managing client social media platforms, creating videos and business logos as well as offering print directory advertising options.

WEBSITE/MOBILE SITE | Turn Browsers Into Buyers. Showcase your products and services and create an online presence for your business that provides a whole new way for customers to find you. Customized 5 page websites showcase your company and are complimented with a mobile site designed specifically for Smartphones. Best of all, you'll get up to 5 email addresses, monthly updates and initial SEO setup for optimal performance of your new professional looking website.

SOCIAL MEDIA MANAGEMENT | Where Conversations Are Taking Place. Pinnacle Marketing Group's team of account managers, certified social media professionals and talented graphic designers will assist your business by offering marketing solutions for social media platforms designed to gain an online presence, attract new customers and to be where consumers are looking.

LISTINGS

All businesses begin with a free, basic listing. The packages below allow a business to rank above the free listings and add additional enhancements such as video and photos to their listing. The greater the package, the higher the listing will rank.
